Our Customer Satisfaction Motto:

*"Were Not Happy Until Your Not Happy"*

**Stage 1: Parking Lot Fun**

You are getting to your car at the super market when a person starts walking up from the front with open hands asking you for a handout. You tell him to stop, but he keeps coming with open hands. It is at this point that your training kicks in and you remember this is likely a ruse and someone is sneaking up behind you. Dispatch with the decoy by hand strike and then turn and deal with the rest.

**Stage 2: Parking Lot Fun Part 2**

Same thing as previous but from other side of car. 3 stationary targets, 1 dro turner and 1 swinger

**Stage 3: Parking lot - Oh crap**

Same scenario but you are between 2 cars. Five bad guys in a row. Shoot them in tactical sequence 2 each to the body and then one to the head. Ine No Shoot swinger and a stationary n shoot.

**Stage 4: Man in the middle**

2 targets on both sides and one in the middle. Shoot the 2 on each side with 2 shots and then shoot the one in the head. Make sure you use your front sights

**Stage 5 Two Stooges**

You have cover behind a column, he is using a no shooy for cover. Alternate sides of barrel at 10 yards until you have 3 on each.

**Stage 6 Not in My house.**

You find 2 guys in your living room. From the ready, 2 to one and 3 to the other.
