Our Customer Satisfaction Motto:
"Were Not Happy Unless Your Not Happy"

Stage 1: Break Down Biker Bar

You are traveling across the back roads of Arizona when your car has trouble. You pull into the only building along the road. You proceed inside and find yourself in the middle of the Rattlesnake Biker bar looking for a phone. You go to the bar to ask to use the phone. A large gang member at the bar comments that you have pretty lips as he proceeds to pull a knife. Time to act.

Stage 2: Roadside Burger

You are buying a burger at the Lot O' Burger on Third St. when you see a car full of folks that turn out to be representatives of the MNRA drive up out of the corner of your eye. The next thing you know, you hear a voice behind you say, "give me your money or I'll pop a cap in you're a**." Turn and deal with the situation.

Stage 3: Running Mar

You stayed late at work and are on the way to your car at the far end of the parking lot. A movement across the lot catches your attention. You now see a large man with a butcher knife running toward you from the other side of the lot. Shoot him while he is running toward you.

Stage 4: Trapped in Traffic

You are stuck in a traffic jam on the interstate in your tiny little sports car. The doors of a van in front of you open and 7 members of a Columbia hit squad get out and kill all of the people in a black Benz several cars in front of you. These guys are trapped and very dangerous. They are now loading their weapons. This is your best opportunity. If only you could get out of your car or the stupid windows weren't so small.

Stage 5: Get a Handle

You are returning home to your lovely wife and child when you pull up to the house and notice that the front door is wide open. You park the car and approach the door and notice that it has been kicked open. You look inside down the hallway and notice a member of the MNRA standing next to your wife. Your child is nowhere in sight. Time to act.
