** Had prior knowledge of some or all blind stages

Our Customer Satisfaction Motto:

"Were Not Happy Unless Your Not Happy"

ALL STAGES WERE BLIND FOR SHOOTERS UNLESS OTHERWISE LISTED

Stage 1: Quick & Dirty

You are a security guard at the federal reserve bank and you have just open the door for an armored car. As the car is pulling in, a large group of robbers across the street starts approaching. A big gun battle occurs. Dispatch the bad guts while using cover as necessary. 7 targets, 2 shots each

Stage 2: ATM

You are making a late afternoon run to the ATM for some Friday night cash. You are at the machine with a woman standing behind you when a car pulls up and two guys get out looking at you and the lady. They don't move so you turn around and go back to your business. The next thing you know, you hear the door slam open and a loud voice says, "give me your ***** money." Turn and deal with the situation.

Stage 3: House of Horrors

You are parking the car in the garage when you here a scream in the house. You run into the house and see several bad guys moving around kill them without shooting your wife and daughter

Stage 4: Cool Hand Luke

You are in a store when the crap hits the fan. Deal with the seven bad guys while remaining in cover 2 shots each.
