Our Customer Satisfaction Motto:

"We're not happy, until you're not happy"

Randy's three stages;

1. Getting to know you...

A simple two static and the DT

Start facing uprange

2. Getting to know you much better...

Three in tac sequence and the shoot around cover as you activate the DT, T4 and T5 are around the corner as well.

Start facing uprange

3. Getting to know that I do not like you...

DT and swinger in same stage, activated at same time. DT and T1 shot on the move. T2-T4 and Swinger shot from cover

My two stages used the swinger and balloons.

4. Balloon on head of swinger 4 static targets, T1-T3 shot on the retreat to cover, sw1 and T4 also on the move or from cover.

5. Chest and Head balloons, aggressively push away decoy thug to activate swinger, shoot T1 then move and engage sw1 and T2-T3 until cover is reached then engage from cover.
