Our Customer Satisfaction Motto:

"We're Not Happy Until You're Not Happy!"

All stages required concealment and were not limited, in accordance with the "Street Fighting" theme.

Stage 1: Target Acquisition Drill w/Hostage (WP)

At signal draw and shoot T1 and T2 two body shots each then shoot T3 one shot to the head avoiding the no shoot. Repeat with strong and weak hands.
Concealment - Limited. Reload at slide lock.

Stage 2: Liquor In The Front Poker In The Rear (WP)

You are in a Millington liquor store in the back room poker game when the other players decide to rob and kill you. Holding cards while seated, at signal draw and shoot T1, T2 & T3 one body shot followed by one head shot each. Stand up and shoot the door guard (Ted) in the head.
Concealment - Not limited

Stage 3: Alone In The Dark - Part 1 (JC)

Power is cut to your house and the only lighting is 2 back up night lites. With flashlight equipped handgun, at signal move to P2. At P2 shoot T1 & T2 on the left. Shoot Ted in the center (T3) then shoot T4, T5 & T6 on the right side. All paper targets get 2 each.
Concealment optional - Not limited

Stage 4: Alone In The Dark - Part 2 (JC)

Same scenario as stage 3 except you are holding your flash light.
Concealment optional - Not limited

Stage 5: Alone In The Dark - Part 3 (JC)

Same scenario as stage 3 & 4 except you are starting at P2 using your muzzle flash for illumination. Right side targets are shot first as they are closer.
Concealment optional - Not limited

Stage 6: Flash Mob At Kroger After A Snow Forecast (WP)

At signal shoot T1, T2 & T3 avoiding the no shoot. Move right to P2 and shoot T4, T5, T6 & T7 avoiding the no shoots. Stand and shoot Ted at the back of the range. Move right to P3 - pie right and shoot T8 and T9. All paper targets get 2 shots each.
Concealment - Not limited. Reload at slide lock

*** Dave Chandler shot all stages with a pair of revolvers. Hats off to him**
