Our Customer Satisfaction Motto:

"Were Not Happy Until Your Not Happy"

Stage 1: The Good Word

You are a pastor of a large local church. You are preaching a sermon on Sunday morning when you notice members of the local gang coming down 3 aisles of the church. They are mad since you have been driving off their customers in the hood. Take cover behind the pulpit and dispatch the three in the aisles. After you take them out, move forward to your wife and deal with two more approaching.

Stage 2: Mickey D's

You are at the fast food counter when you see gang members walk in the door to your right. As you are shoved against the counter you hear that person say, "this is a robbery", elbow the one behind you, turn and shoot the one close right 2 to the body and 1 to the head and then 2 each to the other 3.

Stage 3: Dumpster Diving

You are going around the corner of your business with trash in hand to the trash receptacle enclosure when you are confronted by three armed men. Dispatch them, move to cover and work your way back to the building. 8 targets 2 each.

Stage 4: Three in a row

A quick scenario with 5 target staggered going away with a knockdown at position 4. Three shots each for a total of 13 possible shots

Stage 5: All in a row

Draw and shoot from 3 yards, three shots to the body, reload with retention, 4 shots to body and reload at slide lock that 3 to the head.
