Our Customer Satisfaction Motto:

*"Were Not Happy Until Your Not Happy"*

**Stage 1: Knock-Knock**

You are an undercover narcotics agent entering the back door of a suspected drug warehouse while your partner goes in another door. They are waiting. Shoot 2 from cover at long range. Mover forward and deal with 4 more a close range.

**Stage 2: Out to Dinner**

You are in a both with your wife when the place is robbed. You are cool until they come to your table. You deal with three while seated, then while leaving the building, deal with 4 more.

**Stage 3: Out to Dinner Dux**

You are in a both with your wife when the place is robbed. You are cool until they come to your table. Your wife freaks and latches unto your weak arm. Draw strong handed only and deal with the three in front of you. After you reload from cover on the way out you are shot in the strong arm. Luckily, your wife has let go of your weak hand. Deal with the other 4, weak hand only.

**Stage 4: The riot begins**

You are out with our family when a riot that was happening in another part of town spreads into your neighborhood. You get separated from your family and have to fight your way to them. Shoot 2 up close, Dispatch 2 while moving forward then finish off 3 more from forward cover

**Stage 5: The Riot continues**

You saw some rioters take your family into a house. You follow in and shoot 3 at close range move forward and right and dispatch 2 more on the move then finish up an two down the hall.

**Stage 6: Barn Burner**

From 3 yards, draw and fire 3 each to 2 targets then one to a half covered head at 5 yards.
