Our Customer Satisfaction Motto:

"We're not happy, until you're not happy"

Stage 1: ATM

At signal, turn and face 2 threat targets. Activate DT which is a NS with an impact wrench repairing their car. Move towards exit. A shoot swinger and police officer are on the other side of the wall.

Stage 2: APB

You are a uniformed police officer going to assist 2 undercover units. Navigate through the halls and rooms avoiding 2 undercovers and other officers.

Stage 3: Conundrum

Shooter sees 4 targets. T1&T2 are just in front of shooter. T3 is to the left and at 7 yards. T4 is at 15 yards with a knife behind a car. At the buzzer, shooter is to engage T1 and T2. T3 then drops their weapon and T4 is in reality a no shoot.
