Our Customer Satisfaction Motto:

"Were Not Happy Until Your Not Happy"

Stage 1: A standard Picnic

You are enjoying a picnic with your family when you are accosted by heavily armed thugs. Deal with it.

Six targets, 1 each with both hands, reload, one each with strong hand, reload, one each with weak hand. (limited)

Stage 2: Aces & Eights

A friendly poker game turns violent. Flip a card and shoot three bad guys in tactical sequence across from you at the table. Leave the building and deal with 4 more bad guys on the way out. 2 shots each.

Stage 3: After the Tsunami

You are guarding a nuke plant after a Tsunami. Keep the whacks from getting the nuclear material. 3 each on two targets while backing to cover. Pick up heavy box and move down hall and engage 2 targets with 3 each one handed. You can not shoot without the briefcase in your hand. Move to last position and place material in lock box and then shoot 2 more with three each to escape.

Stage 4: Don't Forget to load your gun

You are cleaning your weapon with your ammo in another room when you hear screams from the other room. Grab your gun and then your ammo and deal with 6 bad guys, 2 shots each.

Stage 5: Get out of town

You are in a building when 2 bad guys walk in and start robbing the store. Move toward the exit while shooting them 2 times each. Shoot 3 more on the move to the exit then finish 2 on the way out the door.

Stage 6: Shoot them from here

You are behind your cubicle when bad guys break in and take hostages. From behind cover, shoot 2 to the left, 2 to the right and a balloon head shot, all between no shoots.
