Our Customer Satisfaction Motto:  
*"We're Not Happy Until You're Not Happy!"*

Stage 1: Fast & Furious

Three rooms. Start facing two bad guys with a no shoot between them. While retreating, shoot each twice. Go to cover and shoot 2 bad guys and a swinger. Cross room and shoot knock down and bad guy behind him.

Stage 2: Fast and Furious 2

Same as one but with tree guys while retreating and three shots to everyone.

Stage 3: Too Long at the Range

You are entering a hotel to search for a suspect. You round a corner and bad guys are waiting. They grab hostage. At buzzer, you shoot the knock down with a head shot from 15 yards. Proceed to corner of hall and while moving across the hall, shoot 2 bad guys. Round next corner and shoot 2 bad guys and a swinger.

Stage 4: Stop and Rob

You go into a stop and rob to get a drink on a Friday night. While standing at the counter, 2 men enter. One comes up to the counter and pulls a pistol on the clerk and shoots him. As you go for your gun, you get hit in the side of the head by something hard. There was a third person in the store that you did not see. Your dominant eye is blurry and you are leaning on the counter. Draw and shoot the 3 bad guys with your non dominant eye.

Stage 5: Wild Bill

You are wild Bill Hickcock and you are in a bar in Nebraska. 4 bad guys come in and start a fight at close range. They all die with wounds to the head. Draw and shoot the closest with your strong hand. Switch to the weak hand and shoot the rest in the head.

Stage 6: This is gong to #@\*%#

Start facing two bad guys. Draw and shoot them from retention. Retreat to cover and shoot the Knockdown and then the swinger that is flanked on both sides by a no shoot.
