**Friday the 13<sup>th</sup>!!!!**

Modeled after horror and Zombie movies. As we all know that the rule in horror movies is that anybody that does drugs, alcohol, or has sex must die. We were all doomed!

All stages had 13 in it, either 13 targets, 13 shots, or a combination. All mags were loaded to 13 and the gun was loaded to 13.

**Stage 1:**

Zombies in the graveyard.

Concealment, Not limited

While putting flowers on a grave you are attacked by Zombies, 13 of them.

At buzzer shoot T1 that is eating a NS with 1 shot to the head at 3 yards. Shoot

T2 –T13 with 1 to the head at distances from 5 to 8 yards.

Shoot T1 – T4 towards your right at 3 to 4 yards, the shoot T5 at 7 yards and T6 at 9 yards.

They all get 2 each and you finish with a head shot to T1

**Stage 3:**

Concealment, Not limited

Oh the humanity!

As you approach a street quartet making incomprehensible noises, you never could understand that stuff kids listen to, you realize this is no singing band. It's a four bloodthirsty zombies. A fifth is bring up the distant rear.

Engage T1 – T4 at 4 yards with 2 to the body and 1 head, give T5 at 10 yards Give T1 a head shot to finish.

**Stage 4:**

Concealment, Not limited

Well now, I'm getting the hang of this zombie thing...

No longer afraid and with zombie open season declared by the authorities, you clean up the street with a little run and gun.

Engage T1-T2 at 3 yards and T3-T4 at 5 yards then move forward to engage T5-T6 and

T7-T8 at 5 yards. Either stay there and engage T9-T13 at 10 yards or move forward to engage them.

All targets get 1 head shot
