**Stage 1: Home Invasion Not Limited, No Concealment**

The armed thugs smash through your front door. Your dog is no match for them but he tries anyway and buys you the time you need to get to your pistol in the bedroom. Two thugs are in the bedroom and the third is just coming to the doorway gun first as you turn to engage them. From low ready turn and engage T1 and T2 at 3 yards and engage T3 through concealment of the bedroom wall, judging his position by the pistol poking into the doorway. All targets get 2 each.

**Stage 2: He's Got Me! Not Limited, No Concealment**

You're hit on the head, grabbed and held by one bad guy while his two buddies close in fast. Holding a weight by your head in your weak hand to simulate fighting off T1 you engage T1 from retention. Dropping the weight and moving to cover you engage T2-T3 at 12 yards from cover.

**Stage 3: Just Hanging Out... Not Limited, Concealment**

Sitting on the tailgate of your truck after shopping and enjoying the fresh night air, 5 members of GYM (Gimme Your Money) demand a donation at gunpoint. Engage T1 and T2 with 2 to the body while seated. Stand and give T1 and T2 each 1 head shot and move to cover. At cover to a tactical reload. Leaving cover, engage T3 at 2 yards yards on the move to the next cover and engage T4 and T5 at 13 yards with 2 each.

**Stage 4: Granny and Gang Not Limited, No Concealment**

On her way to your house granny is grabbed by members of GAG (Gangs Against Grannies) and they use to get your door open. Open the door and engage T1 with 1 head shot while avoiding granny, and T2 with 3 to the body at 2 yards. Move out to cover and engage T3 - T5 either on the move or from cover with 3 each. T3 and T5 at 6 yards and T4 at 3 yards from cover.

**Stage 5: He's Coming for You! Not Limited, Concealment**

As you pass an empty lot you notice an odd individual mutter to himself. He notices and starts saying he is going to take the devil out you, and he has rusty knife ready for the job. He gets up and heads for you. Targets are arrayed in an S patten starting at 10 yards with various angles of lean and concealment ending with target 2 yards away. Engage every target except T7 with 2 each, T7 gets 2 body and 1 head.

**Stage 6: Limited, No Concealment**

Same as Stage 5, minus 2 targets. Close target gets just 1 head shot. Strong hand only
