Our Customer Satisfaction Motto:

"Were Not Happy Until Your Not Happy"

Stage 1: Fight at the OK Corral

You against 5 bad guys. Three mags with 6 each. Two each to each target, then one to each head. Reload as necessary. 15 shoots min.

Stage 2: Gun Fight at Black Creek

You are pinned behind a log across the creek from 8 bad guys behind trees. Draw and shoot 6 of them, two each from behind cover. Advance on the last two and shoot them on the move. 6 in each mag.

Stage 3: Double Tap, Seal Style

You are the entry man on the seal team at the Bin Laden raid. Starting at ready, fire on the guard with two shots to the head. Advance around column and fire two each to the head on two more body guards while advancing. Stop at door and shoot three more with 2 each to the head.

Stage 4:

You are in a rest stop changing the diaper of your child because your wife is deathly car sick. As you are changing the baby, you hear someone yell, I'm going to kill you. You turn around to see it is not you they are talking to but a person right behind you. As the bullets fly, side step and draw and deal with the 5 bad guys, 2 to each body and one to the head.

Stage 5: Punch like a Girl

You are in a store being decoyed by a pretty girl when a gang comes in to take your money. Shoot the closest 2 with 2 to the body and 1 to the head. Shoot the other 3 with 2 each. At slide lock, the girl knocks your gun loose, Punch the girl, reload the gun and put one more in the 5th target so he will have 2.

Stage 6: Get out of Dodge

As you are backing up while talking to a friend at a restaurant, you turn around and run head on into a big nasty biker and 4 of his friends. You apologize and try to pass but he states that you need a lesson and proceeds to pull out a chain as his buddies pull out other weapons. You draw while retreating and shoot 2 to the body and 1 to the head on the closest three and then 3 to the body on the last 2.
