Our Customer Satisfaction Motto:

"Were Not Happy Unless Your Not Happy"

Stage 1: Car Wash

It is a hot summer day and you and your significant other are washing the car when four thugs approach you demanding money and brandishing weapons. 2 shoots to each from the front hood without shooting your significant other.

Stage 2: Sonic Drive-in

You are parked at the sonic when four morons decide they want your ride. They are coming at you from across the parking lot with weapons drawn. Draw while seated and shoot each twice without hitting innocent by-standers

Stage 3: Shopping in Memphis

You are in the grocery store at night when 4 gang members come into the store and demand that everyone get there hands up and then get on the floor. At the buzzer, get your hands up and move to cover at the back of the counter. 3 shots to each.

Stage 4: Shoot Straight

Behind barrier from 7 to 10 yards deal with three to the right and three to the left with a reload behind cover. 3 shots each

Stage 5: Air Terror

You are an air Marshall on a flight from LA to Washington, D.C. You were a last minute addition to the flight, so the crew quietly puts you out of sight in a rear jump seat in the crew area. About an hour from Washington, you hear screaming. You enter the cabin to see six bad guys with guns. Take cover and deal with the issue. 2 shots to each. You may shoot on the move to cover, but you must shoot at least one target from both sides of the aisle.

Stage 6: Think Fast

You are in a Far East restaurant with several different rooms eating dinner, in walks a gang of 4 into your room demanding money or your life. Stand up, draw and deal with the 4 in your room from cover, then move to the other side of the room to exit the building and deal with the 3 bad guys there. 2 shoots each.
