Our Customer Satisfaction Motto:
"We're Not Happy Until You're Not Happy!"

Stage 1: Caught with your pants down

No Concealment, not limited.
While on the toilet at a restaurant, a local gang robs the establishment.
Two thugs kick in the door to the stall, defend yourself.
Start with your gun in the crotch of your pants, which are down around your ankles while reading a magazine. At signal draw and engage T1-T2 with 3 each.

Stage 2: Pants up!

No Concealment, not limited.
Exiting the restroom you now attempt to exit the restaurant. In the dining area you come across three thugs abusing two waitresses.
At signal pie cover and engage T1, then while moving engage T2 and T3 . All Targets get 2 each.

Stage 3: Not clear yet...

No Concealment, not limited.
Finally out of the restaurant, you find the getaway car blocking your exit with four thugs around and in it.
Starting behind cover pie two targets on right side of cover then two targets on left side of cover while avoiding the no shoots. All targets get 3 each.

Stage 4: When do I get to eat???

No Concealment, not limited.
Finally back at home safe and sound you decide to avoid another restaurant and order pizza delivered. You answer the doorbell expecting hot fresh pizza and find that there is no pizza just a thug asking you nonsensical questions. You notice that car out front is disgorging thugs with bad intentions. As the first thug draws a knife, you dispatch him with the collapsible baton in your strong hand. At that point the your non-dominant arm is shattered by incoming fire from the thugs in the street.
At signal dispatch T1 with baton, draw strong hand only and engage T1-T4 with 2 each .

Stage 5: A dog and his thug.

No Concealment, not limited.
Your neighbor has been going downhill for years and now a drugged thug and his large angry dog are in your yard. The thug looses the dog on you and goes for a gun himself.
At signal draw and engage dog then thug. The dog is on a sled that moves rapidly And requires that the balloon representing the heart must be popped before Engaging the thug by popping the balloon representing a head shot. This is essentially a Tueller drill with a smaller target, the target comes at you fast!
