Our Customer Satisfaction Motto:

"We're Not Happy Until You're Not Happy!"

Stage 1: Rare Himalayan Cat

Your rare Himalayan cat has recently escaped into your un-fenced backyard.

At Position 1 shoot the four pernacious dogs that are about to eat your prized feline, 1 shot per dog.

Move from P-1 to rescue your cat, shooting the owner and the big, nasty, anti-semitic dog, with two shots each, strong hand only. 8 shot minimum.

Stage 2: Take my wife...

You arrive at your home finding three felons behind your wife, pulling her about from side to side. 2 shots for every target.

At position 2, rid of the two gentlemen around the corner messing with your daughter. 2 shots each. 10 shot minimum.

Stage 3: Poor Managerial Decisions

You are sitting on the couch at home when a parade of thugs walk in. Failing to find any hidden weapons or your carry gun, you must kill the first two thugs and headshot the third. With a five-shot snubby revolver. Move around the corner,

where you find your primary handgun, shooting three baddies through a window, 2 shots to every one. 11 shot minimum.

The revolver headshot may be retried with your primary handgun.

Stage 4: Fireworks and Cheap Alchohol

You are sitting in a mosquito-ridden field enjoying the 1812 Overture when a pissed-off local decides that the Memphis Neighborhood Re-development Association needs to work needs to work overtime needs to work overtime on your family.

On the buzzer, deliver 3 shots each for five targets, missing the three no-shoots. Finish by fullfilling "Knock-down Ted's" role, with as many shots as required. 16 shot minimum. Low lights, but one simulated fireworks show.

Stage 5: Top Chef

A day after the Fireworks show, you are at home grillin' and chillin' with the 'hood. Three gentlemen decide to take hostages, hoping to get ribs in exchange. You just grilled for three hours, so you decide to shoot 3 bullets (2 Tactical Body, One Head)

into every one of the three targets. Finish off their companions, 2 shots each. Finish by knocking down Ted again and enjoying a job medium-well done. 14 shot minimum.
