Note: Eventhough things were moved around, Randy had prior knowledge of the blind stages 1-3

Our Customer Satisfaction Motto:

"Were Not Happy Unless Your Not Happy"

Stages 1, 2 & 3 were blind stages with people targets for good or bad guys and no overall shot count.

Stage 1: Run for your money

You are a guard at the Flamingo Casino in Las Vegas. A gang of armed thugs draws their weapons as they approach your station. Deal with them and work your way through the rest of the cash room only shooting the bad guys. Minimum 18 shots, 2 shots per target, unlimited

Stage 2: Prison Break

You are a contract truck driver in Iraq that has been captured by the old Bath party resistance. You are in a prison being frisked by a guard when you over power him. Take his ammo and gun and exit the building. Do not shoot other prisoners. Minimum 18 shots, 2 shots per target, unlimited

Stage 3: Last Man Standing

You are a guard behind the safety glass at the Shelby County Penal farm in the visitation rooms. A gun shot is heard. Find and deal with the bad guys without shooting any of the many visitors. 3 shots to each. 18 targets but only 3 bad guys. # shots per target

Stage 4: Wally World Ammo Rush

Word is out that the local Walmart has recently recieved a batch of ammo, so ou head there late at night to stock up. As you approach the sporting goods counter you are confronted by thugs who are intent on taking the ammo and robbing you. Take him out and his accomplices, but be careful of Walmart greeters. 7 targets, 2 shots each
