Our Customer Satisfaction Motto:

**"We're not happy, until you're not happy"**

**Stage 1: Boogie to the Barricade! Concealment, Not Limited**

5 THUGS (Thieves, Hop-heads, Undesirables, Goons and Scum) and their dog attack your group from behind. Move to cover quickly and stop the threat before they harm you and yours.

Start with hands on barricade, back to targets. At signal run around barricade and use cover to engage T1 - T6 with 2 each. T1 and T2 at 3 yards are partial hardcover and mostly obscured by a no-shoot leaving only head shots. T3 and T4 are at 5 yards, T5 is a dog at 8 yards and T6 is mostly obscured by a no-shoot at 4 yards leaving only a head shot.

**Stage 2: Two Skeletons and a Fat boy. Concealment, Not Limited**

Attacked by two rail thin crack heads and their dealer (a robust physical specimen) You engage them on the retreat to cover. Two more are waiting behind a no-shoot on the other side of cover. To your dismay the dealer has stood back up and is back in the fight.

Engage T1 - T3 on the retreat to cover with 2 each, engage T3 and T4 on the other side of cover with 2 each while avoiding the no-shoot. Re-engage T2 with 1 body and 1 head. T1 and T3 have the 3 zone removed from the target.

**Stage 3: Skill Drill, Concealment, Limited**

Starting weak displayed in the "STOP" position and strong hand gripping the gun. After shooter issues the verbal command "Stop!" the timer will activate. Engage T1 at 4 yards with 3, T2 and T3 at 16 yards with 2 each. T2 and T3 have the 3 down zone removed from the target.

**Stage 4: Skill Drill, Strong hand only, Concealment, Not Limited**

Starting weak displayed in the "STOP" position and holding the rope to the swinger, strong hand gripping the gun. After shooter issues the verbal command "Stop!" the timer will activate.

Start and engage swinger at 4 yards, T1 and T2 at 8 yards with 2 each. T1 and T2 have the 3 down zone removed from the target.
