Our Customer Satisfaction Motto:
"We're Not Happy Until You're Not Happy!"

Stage 1: Rob them simple

Concealment, not limited
You are seated across from your dinner companion when the three brutes you encountered in the parking lot approach the table with murderous intent. Deal with them and move to the exit.

Seated across table from NS draw and shoot T1 – T3 with 2 each in tac sequence. Get up and move to wall and pie the corner giving T4 and T5 3 each and avoid the NS.

Rob Me?

Stage 2:
Concealment, not limited
At the ATM you hear a voice saying give me you money or your life. Turn and deal with him and his friends.

Turn and give T1 2 from retention, on the move T2 and T3 get 3 each. From cover pie and give T4, T5 and T6 3 each

Rob the baby?

Stage 3:
Concealment, not limited
Walking through parking lot carrying the grandbaby you are attacked by multiple thugs. The first thug is in front of you and way out in front of his buddies, he is jumping side to side as he holds his knife overhead just like his favorite actor did in the movie Troy.

On the retreat shoot T1 – T3 far to near with 2 each. Continue to the front of the van and put the baby down on the hood to do a reload. Pick up the baby and engage T4, T5, and T6 on the move with 2 each. **Rob the Camera???**

Stage 4:
Concealment, not limited
Walking on the sidewalk three thugs line up front of you brandishing blunt instruments demanding your camera, they know you have one somewhere to go with that vest! A fourth comes a little late to the meeting and he gets his fair share.

Side step and shoot T1 – T3 with two to body, then 1 head.

Team Shoot: Rob the house

No concealment, Not Limited
While showing you gun to a buddy at home with the gun unloaded and the slide locked back home invaders interrupt you thoughtful conversation. You take your magazines and stow then and go to the living room. Using the couch for concealment you engage for invaders. You collapse from wounds incurred in the shootout and your takes over. The friend stows your magazines on his person and takes your gun to the other to deal with three more invades using a bookshelf as cover.

String 1, shooter 1:
Start seated, stow magazines and load pistol. Get up and move to low concealment. Engage T1 – T3 with 2 each, avoid the NS. Put KD1 down with as many as it takes.

String 2, shooter 2:
Start seated, move to P2 and stow magazines. retrieve pistol and move cover. Pie cover and shoot T5 – T7 with 2 each while avoiding the NS.
