Our Customer Satisfaction Motto:

Stage 1: Airport Justice

You are an air marshal waiting for your flight when you look out the window and notice something does not look right. You go down the ramp stairs and looking through the door window, you notice 3 guys unpacking guns from a bag. Deal with them from cover of the door and go forward to look for others.

Stage 2: Don't fumble the Football

You are getting dressed in your room when you notice 4 guys moving toward your door through the yard. Get your gear off the table and shoot the 2 you see on either side of the yard. Grab your secret documents and move forward to cover and shoot the other two from both sides of cover with one hand. 4 shots each

Stage 3: Walking with your wife

You are walking down a dimly lit street when someone grabs your wife and is holding her at knife point. Draw and carefully put 2 in their head. Move to the street curb and from prone, shoot the running man 4 targets from far to near 2 shots each.

Stage 4: Banking on time

You are on your way to the car when you round the corner and run into 3 guys wearing sky masks and carrying guns. While retreating, shoot each three time. At cover shoot them again each to the head. Rounding the building the other way dispatch the 2 bad guys at your car with 3 shots each.
