**STAGE 1: OFFICE ATTACK**

You are sitting in your office when several disgruntled ex-employees come in with guns. Start seated in chair on the phone. On signal, and engage T-1 and T-2 (2-3 yards) with two to the body then one to the head. Move to the doorway and engage T-3 and T-4 (5-7 yards) with two body shots, then one HS, in tactical order.

**STAGE 2: ATM ATTACK**

You are out late and must stop for money. Unfortunately, three miscreants have the same plan; to get your money. Start standing at the ATM and on the signal, turn and engage T-1 through T-3 (3 yards) with two shots each.

**STAGE 3: SKILL DRILL**

Two targets at about 5 yards. Start with six only. On signal, draw and engage each target with three shots each, alternating targets between every shot. Reload from slide lock and repeat, but fire head shots.

**STAGE 4: TAKE MY WIFE, PLEASE**

You and your spouse are leaving a restaurant. As you approach your car, you hear something behind you. Several armed thugs are approaching you. When they start shooting, you have to defend yourself. On signal, turn, draw and engage T-1 and T-2 (3 yards) with two shots each in tactical sequence. Then, move across to cover, engage T-3 (4 yards) with two shots to the body and one to the head without hitting the no-shoot.

**STAGE 5: GANG ATTACK/SKILL DRILL**

Engage T-1 and T-2, then T-3 and T-4 while moving. Once at the barricade, Engage T-5. Perform a tactical reload and reengage T-5, then T-4 through T-1 while moving back the opposite direction. All targets at about 4-5 yards.

**STAGE 6: SKILL DRILL**

Two targets at 5 yards. On signal, engage T-1 with 7 rounds, reload from slidelock and engage T-2 with 7 rounds.
