Our Customer Satisfaction Motto:

***"We're not happy, until you're not happy"***

**Stage 1: Held Hostage; No Concealment Not Limited; Low Light**

You've been taken hostage, disarmed and blindfolded. You work free of your bonds and fight your way out. This is a blind stage, shooters are led blindfolded to the start position. Their gun is placed on a table forward of them and a dummy round is inserted into each of their magazines. the shooter starts with two magazines on their belt, one mag near the gun on the table.

At signal remove blindfold, retrieve pistol, load it and engage a swinger on the retreat. At the end of the walls go either right or left and .engage three targets on each side with 2 each while avoiding the non-threat.

**Stage 2: Concealment Not Limited**

Start with rope to activate swinger in left hand, positioned at left end of the wall out view from the targets. At signal, pull rope to activate the swinger located behind T1 and T2 . Engage T1 and T2 and Swinger from left end of the wall. Move to the right end of the wall and engage T3 - T6 while avoiding the no shoot. All targets get 2 each.

**Stage 3: Concealment Not Limited**

Start seated and engage T1 and swinger from seated position. Get up and move to window and engage T2-T4 in tactical priority, move right to end of wall and engage T5-T6. All targets get 2 each.

**Stage 4: Burner... No Concealment Not Limited**

T1 - T3 at 5 yards to left of no shoot. T4 at 8 yards at right of no shoot.
